

LASER MASTER SWEDISH CHAMPIONSHIP 2017
A part of *Sandhamnsregattan powered by Resevaruhuset*

A big heartily welcome to Sandhamn in August 2017 for the International Swedish Championship in Laser Master!
The Swedish Championship in Laser Master will be part of The Royal Swedish Yacht Club's (KSSS) Sandhamnsregattan, the yacht clubs oldest regatta celebrating 120 years in 2017 and it will be backed by Resevaruhuset as a title sponsor.
The Sandhamnregatta will also be hosting a Classic class that will be racing both off- and inshore courses as part of the "Baltic Classic Master Cup". With an expected 130 Laser Master sailors and potentially 50 Classic yachts racing in Sandhamn, we will see 400 to 500 sailors meeting, greeting and racing side by side this year. This will be a superb summer sailing event! Welcome to Sandhamn and KSSS!
